MEMORANDUM FOR RECORD

SUBJECT: Policy # 14 – Uniform Policy for United States Army Student Detachment Personnel Attending Civilian or Military Colleges/Universities and Service and Staff Schools

1. Due to limited funds and accessibility, the USASD will be unable to issue the unit patch or insignia to assigned personnel not considered permanent party at Fort Jackson, South Carolina. Because of this constraint, it is acceptable for USASD assigned personnel to wear the unit insignia, beret, and patch from their losing duty station. When students are co-located with a military establishment for the purpose of training, they must fully comply with the uniform policies and guidelines of that organization. Personnel requiring a DA Photo for the preparation of a promotion board are advised to acquire the appropriate unit patch and insignia as stated on the Officer Record Brief.
2. If you prefer to wear the unit patch (171st INFANTRY BRIGADE) and unit crest (171st INFANTRY BRIGADE) of USASD permanent party personnel, you can do so at your own expense by contacting the catalog service at Fort Sam Houston at 1-800-527-2345.
3. Point of contact for this memorandum is the undersigned at (803) 751-5305.
